

Plant Doctor's Oath

Being admitted to the profession of plant medicine I solemnly swear to fulfill to the best of my ability and judgment this oath:

- I will use my scientific knowledge and skills for the benefit of society through the protection of plant health, the conservation of natural resources, the protection of the environment and the advancement of plant medicine.
- I will practice my profession conscientiously, with dignity, and in keeping with the principles of plant medical ethics.
- I will keep client information confidential and protect their interest in a manner consistent with the law.
- I will not be ashamed to acknowledge my limitations nor will I fail to call upon my colleagues when the skills of another are needed.
- I accept as a life-long obligation the continual improvement of my professional knowledge and competence.
